

WHERE NATURE ART & SCIENCE

CONNECT

at
Bernheim

ARBORETUM AND RESEARCH FOREST

CONNECT: a collision of art, music, science and technology at night, a creative dialogue between artists, scientists, naturalists, lunatics, sustainability advocates and progressive thinkers, all gathered in nature. The effect will ripple beyond the effort. Projected images, fire sculptures, experimental music, food, beer and music. You get the picture. Be there.

BRING A FRIEND. BRING THREE.

SATURDAY, SEPTEMBER 11TH; 5:52 P.M. – 9:52 P.M.
