

VOLUNTEER APPLICATION

Bernheim depends heavily on volunteers to accomplish its mission of *connecting people with nature*. Whether you can give several hours or several hundred hours, you can provide critical help to Bernheim and our visitors. You'll work with Bernheim staff for on the job training, gain access to programs and specialized training opportunities, meet other volunteers, and have a good time. Let us know what your interests are and we will find the right position for you! Join us by sharing your time and expertise – essential tools in maintaining the beauty of Bernheim and spreading the word to all you meet. The friendships you create will extend beyond our boundaries and last a lifetime.

All Bernheim volunteers must be over the age of 16 to volunteer as an individual. We encourage families to volunteer together. Volunteers between the ages of 16 and 18 will need parental authorization to volunteer individually.

Please complete this form and call Amy Joseph Landon at 502.955.8512x262 or email alandon@bernheim.org to discuss volunteer opportunities.

Thank you for your interest in becoming a Bernheim volunteer!
